## FaceCake FrameWizard

Best Gadget Gifts Under \$200

Contents: FaceCake FrameWizard

Share Print

Reminiscent of pictures from the world of Harry Potter, the **FaceCake FrameWizard** lets you customize photos and videos so waves crash, eyes blink, leaves fall, and other special 3D effects appear. These 7- and 8-inch frames include 2GB of internal memory, and support most common file types. \$149 for the 7-inch frame, \$199 for 8-inch.

Price: \$149.00
