Retailers share what's hot at PMA 09

The **PMA 09** Retailer Hot Picks session held on the trade show floor on Thursday provided the opportunity for retailers to share the best product they found at PMA 09. Some of the "hot picks" included:

- Unleashed GPS system from **Foolography**
- From **PhotoLightFrames**, a frame that instantly transforms any 4-by-6 print into a night light
- Portable digital photo album from **Digital Foci**
- **Alta Pro Series** Tripod
- Underwater housing for compacts cameras, iPods, mobile phones, DSLRs, and more from **Dicapac**
- **Op/Tech** customizable compact strap trio
- Automatic image enhancement software from **Image Trends**
- A variety of high quality, high margin bags from **Think Tank** bags
- **Hahnemuhle** Gallerie Wrap simple-to-use canvas stretching system (this product was chosen by five different retailers as the "hot pick")
- The online storefront from **Colorado Timberline**
- **Media Kick** pocket-size device backup device from Argraph, in 60 or 120 gig
- **FrameWizard** from **FaceCake**, which makes still photos move.
- **Fujifilm** Finepix F200EXR
