Coollest Digital Frame Ever

Rate it! 2  2 

The FrameWizard is the coolest digital photo frame. It literally animates all of your photos - you can see eyes blink, waves crash, snow fall, and you can even blow a kiss! It is easy to use and holds a lot of photos- up to 2GBs. It retails for \$199 at Amazon.com - if you want to see demos- check out <http://www.framewizard.com>
